

Eclipse Soft Furnishings

Why Choose Access?

At Access we are local!

100% Australian owned and family run company operating since 1992. Specialising in creating engaging environments for our education clients, individually tailored for best use of space and learning mode requirements.

Our commitment to continuous improvement ensures our range of furniture from modern soft seating to your library, desks, storage and everything in between are flexible and best fit for your students and your teachers needs and well being.

We offer our customers locally made and imported products so you get the best of both worlds.....

QUALITY & WARRANTY

At Access we pride ourselves on the quality of both our products and our service. All items offered in our catalogue are designed and selected to meet the needs of the educational sector. As a minimum, all products in our catalogue offer a 3 year warranty, most are guaranteed against faulty material and workmanship for 5 years or more. See individual products for warranty period.

SUSTAINABILITY.

We are ISO14001 certified and most of our products are GECA certified. We recycle the original packaging materials to protect the products during the delivery process to limit waste and we carefully plan our delivery routes to minimise our fuel usage and emissions. These are just some of our environmental initiatives; further information is available on our website

IMPROVED HEALTH

MDF boards should meet the appropriate standards - AS/NZS 1859.1:2004: Reconstituted wood-based panels. Both Australian and European standards limit the amount of formaldehyde that can be released from wood based panels. The board used in our furniture is rated E1 - less than 0.1 ppm (parts per million)

SAFETY

Many of our products are independently tested by one of the worlds largest testing authorities this ensures they conform with the stringent requirements of Australian and International standards that focus on furniture comfort, safety and durability. To ensure the highest level of performance and durability we test our furniture to level 6, which is a severe commercial use rating.

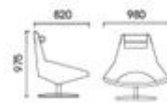

Department of Education

CONTRACTED SUPPLIER TO WA GOVERNMENT
CUAFRN2017
