

textilia

Our vision and enduring passion is to provide innovative, quality and sustainable commercial textiles to the Australasian Contract market, underpinned by the best service in every way. As part of our strategic partnership with ChairSolutions, we offer a comprehensive and inspiring selection of premium wools, recycled polyesters, vinyl's, leathers and wall coverings, catering for the office commercial, corporate, education, hospitality, healthcare and retail sectors.

Whilst we make every effort to show accurate colours on this document, many factors can alter these when printed.
