

Eclipse changeable Snap Frames are great for Retail stores. Offices, Education, Healthcare, Government Agencies, all industries and markets. Front opening snap frames allow graphics to be changed quickly and easily without having to use any tools or remove the frame from the wall. Snap Frames are perfect for items that need to be displayed professionally and changed often. All four side of the frame 'snap' open to allow very easy access. Snap frames are ideal for displaying daily schedules, posters or point of sale material in places such as Schools, Bars, Retail Outlets or any similar public area. All our products will get your notices - noticed! And are very easy to use and change the contents on a regular basis.
